

University-wide Liberal Arts Courses Comprehensive Courses Course List

- *If you wish to check by period/day of the week, go to the website "Time Table PDF Download (2025 version)" of the Syllabus & Class Schedule Search System
- *For details regarding each course, check the syllabus. In addition, check the course guidebook for notes on registering for courses.
- *All students, regardless of which year they are in, may earn up to 6 credits each semester from the courses in the "Introduction to Academic Studies", "Cross-Disciplinary Studies", and "General Sports Studies" groups, except when taking the "The United Nations Youth Volunteer" and "Overseas Work Experience 1 and 2"
- *Students may retake any of the courses in the University-wide Liberal Arts Comprehensive Courses in different semesters, however, note that the credits earned from taking a course for the second time will not be counted toward the credits required to graduate (these count toward optional courses).
- *As a general rule, registration for courses selected by lottery registration (courses that have been approved) cannot be cancelled. However, University-wide Liberal Arts Comprehensive Courses may be transferred to course code registration after the completion of the secondary application.
- Registration for courses changed to course code registration may be cancelled or changed during the course code registration period and the course change period.
- *Courses to be transferred to course code registration can be checked in the "List of University-wide curriculum Comprehensive Education Courses/University-wide Liberal Arts Comprehensive Courses for course code registration" on the Course Registration System after the secondary lottery registration period.
- *Registration for some courses, such as General Sports Studies, cannot be canceled. "Courses not subject to registration cancellation" are listed in the Course Registration System.

Introduction to Academic Studies

General Sports Studies

*Sports programs are one credit courses, and sports studies are two credits courses.

*The same courses (courses with the same title, regardless of the contents) may be retaken in a different semester, but the credits obtained from the second time onward are not included in the credits required to graduate (these count as optional courses).

*Students should register for General Sports Studies courses with caution, as the course registration cannot be cancelled.

Sports Program
