

Model Course Plan

Students should take responsibility for choosing their own courses based on their academic interests and chosen areas of concentration. The following course-taking patterns are presented only as samples for reference when students develop their course plan.

Notes: If credits taken exceed the credits required for completion for each category, the credits are added to credits gained from Free Elective Courses.

ICGL

(*Course-taking patterns will vary depending on students' academic interests and chosen area (s) of concentration)
